

## Sentences to improve

*Add adjectives, adverbs, adverbials and comparisons to the sentences below to make them come alive with imaginative detail....*

*Write your new sentences in your books to create a vivid description.*

**Many birds live in the emergent layer of the rainforest.**

**The trees are surrounded by flowers and other plants.**

**Animals prowl through the understory.**

**A variety of creatures inhabit the canopy.**

**Butterflies to be found everywhere.**

### **Challenge:**

*Write some dialogue where two creatures from the rainforest describe their homes.*

Examples

*"My home is in the canopy, where I can walk along the thick branches, going from one tree to another, and resting upside down as I go," the sloth whispered.*

*"I live in the understory below the massive trees, slipping in and out of the thick undergrowth..." replied the tapir.*

*Remember to use inverted commas and correct punctuation.*
