## Easter cards

If you have time during the holidays you may like to help your child to make these Easter cards.

You will need yellow paper, some coloured card and some colouring pens. Use the shapes at the bottom of this sheet as templates.

- Draw round the templates onto yellow paper and then cut them out very carefully. If you want to make two chicks, cut out two sets of shapes.
- Fold a piece of coloured card in half to make your Easter card.
- Arrange your chicks on the card and stick them on with glue.
- Decorate your card with colouring pens.

If you have time try to work out the cost of your card. Use coins to help you.
