Maths homework 01.10.2015   Name: _____

This week we've been learning our time tables. We now need to know the 4, 5 and 10 x tables.

Complete the following targets:

We also had a look at doubling

Split these numbers into tens and ones, then double the numbers, add the answers.

I've done the first one for you:

45	62	28	59
84	49	348	426

You can also play HIT THE BUTTON, doubles and Times tables on the internet to practise your x-tables and doubling skills
