

## Planning a Letter

Write notes in each box to say what you will include in each paragraph. Remember to add in some questions too.

Paragraph 1 - Have you learnt anything new at home?

You could talk about any lessons you've completed, or anything else you've been learning.

Paragraph 2 - What things have you enjoyed while you've been at home?

Paragraph 3 - What are you looking forward to when you go back to school?
