

# 6JG UPDATE

Monday 2nd September 2019

## WELCOME BACK

Welcome to the first week of term!

I'm looking forward to hearing all about your summer and your goals for the year.

This week, we will be talking about expectations in Year 6. To prepare, you could begin to think about:

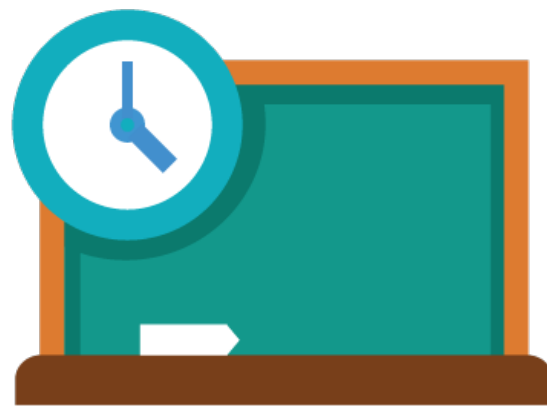

- What it means to be a leader and a role model
- How we can help others
- What makes a great learning environment
- What you want to achieve this year.

Every child in the class will have a responsibility so you can also start to think about what role you would like.

If you want to apply to be a House or Vice Captain, think about why you want this role. If you want to teach a lesson in the first couple of weeks, you need to complete a lesson plan (ask in class).

Remember that Monday and Tuesday are INSET days, so term starts on Wednesday 4th September.

Please arrive by 8.50am with a positive attitude and a smile!

## HOMEWORK

We allocate Spellings, Maths and Comprehension homework every Friday.

Check the homework page on the website for more details.

This is a key part of your learning and we expect it to be completed and handed in by the following Thursday.

If you have any questions about homework (including technical issues), you should ask a Year 6 adult as soon as possible.

You can also attend Homework Club on Mondays (12.15-1pm) or Tuesdays (3.30pm-4.15pm).

Please note: your parent or carer will need to email the school office to give their permission for you to attend the after school session. This email should include your name, class and details of how you will go home.

## THINGS YOU WILL NEED

The correct PE kit.  
Bring it in at the start of each week.

A water bottle.  
(Preferably a reusable one).  
You can fill it up and leave it by the sink in class.
