INVENTIONS AROUND US

Which inventions did your family use or see today? Write them down under your names. Here are some examples: pen, cup, tap, bed, ruler, ipad, umbrella... Can you think of any more? Write them down if you've used or seen them. If you would like to be creative you can also make up a key/picture for each of the inventions. Complete your sheets by Monday 19 March 2018 and return to your class teacher to stand a chance to win a prize for your family. Each family only have to submit one entry. Any questions: Ask Miss Jordaan Y5 - Science Subject Leader
