

Take On Me (A-ha)

We're talking away
I don't know what I'm to say
I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, OK?

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day or two

So needless to say
Of odds and ends
But that's me stumbling away
Slowly learning that life is ok
Say after me
It's no better to be safe than sorry

Livin' On A Prayer (Bon Jovi)

Tommy used to work on the docks
Union's been on strike
He's down on his luck it's tough
So tough
Gina works the diner all day
Working for her man
She brings home her pay for love
For love

She says, "We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot for love
We'll give it a shot"
Ohh, we're half way there
Oh-oh, livin' on a prayer
Take my hand, we'll make it I swear
Oh-oh, livin' on a prayer

Beat It (Michael Jackson)

They told him, "Don't you ever come around here
Don't wanna see your face, you better disappear"
The fire's in their eyes and their words are really clear
So beat it, just beat it
You better run, you better do what you can
Don't wanna see no blood, don't be a macho man
You wanna be tough, better do what you can
So beat it, but you wanna be bad

[Hook]
Just beat it, beat it, beat it, beat it
No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right
Just beat it (beat it)
Just beat it (beat it)
Just beat it (beat it)
Just beat it (beat it uuh)

They're out to get you, better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive, better do what you can
So beat it, just beat it
You have to show them that you're really not scared
You're playin' with your life, this ain't no truth or dare
They'll kick you, then they'll beat you then they'll tell you it's fair
So beat it, but you wanna be bad

I Wanna Dance with Somebody (Who Loves Me) (Whitney Houston)

Clocks strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up 'til now
It's the light of day that shows me how
And when the night falls
Loneliness calls

Oh! I want to dance with somebody
I want to feel the heat with somebody
Yeah! I want to dance with somebody
With somebody who loves me
Oh! I want to dance with somebody
I want to feel the heat with somebody
Yeah! I want to dance with somebody
With somebody who loves me

I've been in love and lost my senses
Spinning through the town
Sooner or later the fever ends
And I wind up feeling down
I need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls
My lonely heart calls

Another One Bites The Dust (Queen)

Steve walks warily down the street
With the brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go
Are you ready? Hey, are you ready for this?
Are you hanging on the edge of your seat?
Out of the doorway the bullets rip
To the sound of the beat, yeah

Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust, yeah
Hey, I'm gonna get you too
Another one bites the dust

How do you think I'm going to get along
Without you, when you're gone
You took me for everything that I had
And kicked me out on my own
Are you happy, are you satisfied?
How long can you stand the heat?
Out of the doorway the bullets rip
To the sound of the beat
Look out

Time After Time (Cyndi Lauper)

Lying in my bed, I hear the clock tick and think
of you
Caught up in circles, confusion is nothing new
Flashback, warm nights almost left behind
Suitcases of memories, time after...
Sometimes you picture me, I'm walking too far
ahead
You're calling to me, I can't hear what you've
said
Then you say, "Go slow." I fall behind
The second hand unwinds

If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time
If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time

After my picture fades and darkness has turned
to gray
Watching through windows, you're wondering if
I'm OK
Secrets stolen from deep inside
The drum beats out of time

Fast Car (Tracy Chapman)

You've got a fast car
I want a ticket to anywhere
Maybe we can make a deal
Maybe together we can get somewhere
Any place is better
Starting from zero got nothing to lose
Maybe we'll make something
Me myself I've got nothing to prove

You've got a fast car
I've got a plan to get us outta here
I've been working at the convenience store
Managed to save just a little bit of money
We won't have to drive too far
Just across the border and into the city
You and I can both get jobs
Finally see what it means to be living

You've got a fast car
Is it fast enough so we can fly away?
We've gotta make a decision
Leave tonight or live and die this way

So I remember when we were driving
Driving in your car
Speed so fast felt like I was drunk
City lights lay out before us
And your arms felt nice wrapped around my
shoulders and
I-I had a feeling that I belonged
And I-I had a feeling I could be someone, be
someone, be someone
