# Welcome to Handsworth Nursery

Hello!

We are so excited that you are coming to Handsworth Nursery. There will be lots of lovely children for you to play with and very kind adults to look after you.

We know you will be very happy here and learn lots of exciting new things.

Hello. I'm **Miss Walter.**

I love being outside and looking after our Nursery garden

Hello. I'm **Mrs Hillman.**

I love making things

Hello. I'm **Mrs Halpin.**

I love helping children on the art table.

Hello. I'm **Miss Lashley.**

I really love to play with the sand and water outside in the Nursery garden.

We are going to be your new teachers.

We really love helping you learn by having lots of fun in the Nursery.

We work hard to make sure that you will be happy and safe with us.

# Look out for these people at school

- Whole class carpet time
- Lunchtime
- Lunch play outside
- Whole class carpet time
- Children get busy inside and outside
- Tidy up time
- Whole class carpet time (story)
- Home time

Carpet area

Outside area

This is our Nursery garden. We play outside, whatever the weather, everyday. We love using the bikes, scooters and the climbing frame.

## Look at some of the fun things that happen at Nursery!

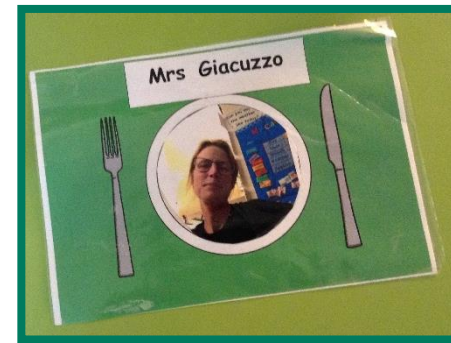

We have lots of special toys and activities here for you to play with and to help you learn new things.

# These are some of the things we learn about in Nursery

At lunchtime you will have a special placemat to show you where to sit and eat. It's great fun sitting with friends and chatting while we eat together. Adults sit with the children to help with tricky boxes, packets and bottles.

Please ensure your child has a healthy packed lunch.

Please be aware we are a NUT FREE School and Nursery.  
Please do not include any items such as peanut butter, chocolate spread, cereal bars or other items that may contain nuts.  
Thank you.

At Handsworth Nursery, you can have a drink and go to the toilet anytime you want. We have milk, water and fruit for snack time.

At Nursery we like to cook every week. Do you have a favourite recipe? Please let us know!

Once a week we will go to the big school hall to play games. We call this our P.E. time.

We go out in our Nursery garden everyday. Please make sure you have suitable clothes for outdoors, including raincoat or sunhats depending on the weather.

Please send in a pair of wellies that can then be left at school.

We like mud but prefer keeping it outside!

In warm weather please apply sun cream coming into Nursery

We would like you to bring some spare clothes to keep in Nursery on your peg.

**Please make sure all your belongings are labelled with your name!**

**It would be great if you could practise putting on your shoes and doing up your coat.**

In Nursery there is not a compulsory uniform, however we do have Handsworth Nursery logo polo shirts and hoodies available to buy from My Clothing website or SpeedStitch services if you would like. Bookbags are also available

<https://myclothing.com/>

<http://www.speedstitch.co.uk/>

Do you like any of these? Make sure you tell your teachers what you like to play with so they can get them out.

**Look at all the fun that you will have in Handsworth Nursery and we can't wait to see you!**
