## Reception Learning Overview

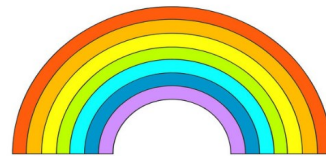

Here is our Learning Overview for the week beginning 30.11.2020

### Song of the Week

We are learning our songs for Carols in the playground. We would love it if you could practise at home.

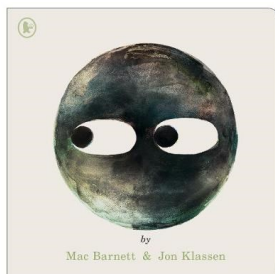

### Breath of the Week

#### Rainbow

Hand out to one side of the body, make a rainbow shape by raising them up above the head then down the other side. Inhale on the way up, exhale on the way down

### Our Learning

We are learning about 2D shapes. We are using their correct names and counting their sides. We are spotting them around our school. Could you go on a shape hunt at home?
