

Challenge 1.

Tommy has marked numbers on his number lines.

Has he made any mistakes?

Explain to a friend the mistake you think he has made.

Show the numbers on your own number line.

- 75
- 34
- 91
- 57

Challenge 2.

How many different ways can you complete the place value charts to make the statement correct?

Tens	Ones		Tens	Ones
5		<		3
