

Challenge 1.

Tommy says,

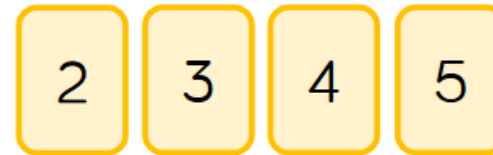

$5 + 2$ is greater than
 $4 + 4$ because 5 is
greater than 4

Is he correct? Explain why.

Challenge 2.

Use the digit cards to complete the sentences.

$$_ + _ = _ + _$$

$$_ - _ = _ - _$$

$$_ - _ > _ - _$$

$$_ - _ > _ + _$$

Can you write any more number sentences using these cards?
