

## Extended Challenge 1

Here are the scores at the end of Sports Day:

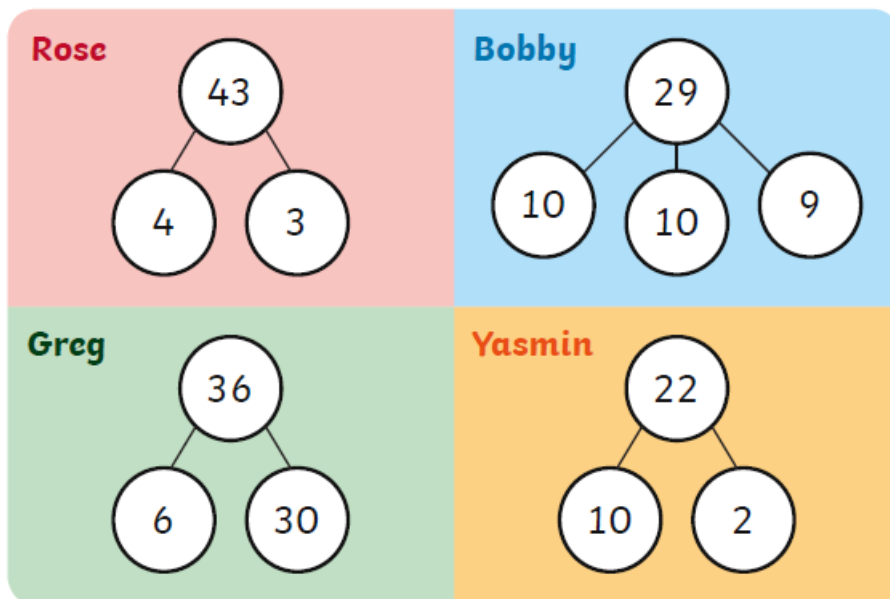

**Red** Team – 43 points

**Blue** Team – 29 points

**Green** Team – 36 points

**Yellow** Team – 22 points

Children draw part-whole models of their team's score.

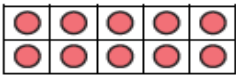

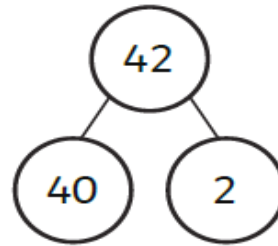

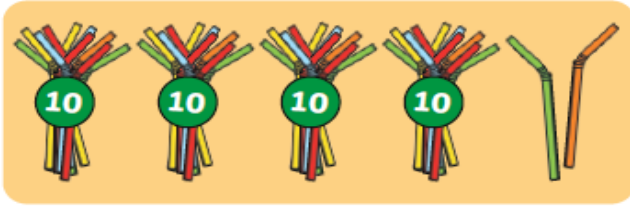

Are they correct? Tick the ones that are.

Draw your own part whole models for any which are wrong.

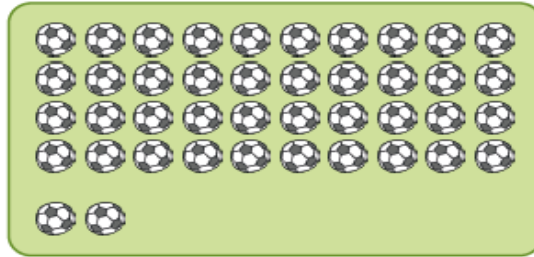

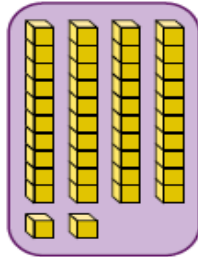

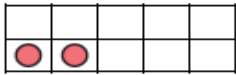

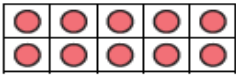

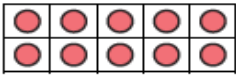

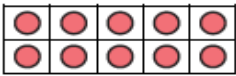

## Extended Challenge 2

Here are different ways to show 42.

# 42

4 tens 2 ones

How many different ways can you represent **28**
