Track 7:No Girls Allowed

**Nic:** *(Spoken)* This one's for all the brothers,  
Training to be sisters  
Kick it! Uh, uh, yeh!

**Burbage:** All the boys go ho!

**All:** Ho!

**Nic:** Like a lady go oo-oo!

**All:** Oo-oo!

Hot wax your legs, ow!

Stick out your chest, huh!

Put on a dress, even though you're a guy

Adjust your hair, check it's all there

No-one would guess, you're a man in disguise

Give it all, you have got

It's a job that can pay a lot

On the stage across the land

Every woman is a man

There are no girls allowed, no girls allowed

It's a crazy lady ban

Though we'll never understand

There are no girls allowed, no girls allow-owed

**Burbage:** So all the boys go ho!

**All:** Ho!

**Nic:** Like a lady go oo-oo!

**All:** Oo-oo!

Cash in your hand, it's just an act

That's where you stand, show your feminine side

Real ladies love, someone in touch

And man enough, to play a girl with pride

**Track 10:****Show In The Globe****All:**

Dig it! Ha! Hoo-ha!  
Hit it! Ha! Hoo-ha!  
Work it! Ha! Hoo-ha!  
Build it up!

By the Thames in London's heart  
People gathering from worlds apart  
Making friends, taking part  
Feeling all the glamour, meeting the stars

Flooding in from every side  
Don't you let the rising tide over your head  
Get on up and shake a leg

We're gonna lay these wooden beams  
We're gonna make this a theatre of dreams  
We'll give it soul and rock 'n' roll  
We're gonna get this show in the Globe

Ha! Hoo-ha! Build it up!  
See the queues behind the door  
Can't we make a little room for more?  
In the roof, the pit or floor  
Everybody welcome, rich or poor

Theatre that's affordable  
Just a penny for the Lord Chamberlain's men  
Keep 'em coming back again

We're gonna lay these wooden beams  
We're gonna make this a theatre of dreams  
We'll give it soul and rock 'n' roll  
We're gonna get this show in the Globe  
Ha! Hoo-ha! Build it up!

Will's wonderful words  
Have a place to be heard  
Somewhere grand for the man

William! Woah!  
He's the man! Woah! Shake a leg!

We're gonna lay these wooden beams  
We're gonna make this a theatre of dreams  
We'll give it soul and rock 'n' roll  
We're gonna get this show in the Globe

**Group 1:**

Show in the Globe  
Show in the Globe  
Show in the Globe

**Group 2:**

Dig it! Ha! Hoo-ha!  
Hit it! Ha! Hoo-ha!  
Work it! Ha! Hoo-ha!  
Build it up!

**All:**

Show in the Globe!  
Ha! Hoo-ha! Whew!

**Track 15:****Don't Mention Mac****All:** Shh!

There's a name you mustn't name  
And if you do you'll get the blame  
When things happen to go bad  
So if you please, don't mention Mac

Better you know right away  
Than ruin our entire day  
Could you show a little tact  
And notice we don't mention Mac

Is this premonition, merely superstition?  
Don't tempt fate, on this stage  
One must say "The Scottish play" and

Leave it there, if you care  
Don't discuss it anywhere  
Keep that word under your hat and  
Make sure you don't mention Mac

Woo! Woo!

Biddily-boddily biddily-boddily  
Be bop bop

Is this premonition, merely superstition?  
Don't tempt fate, on this stage  
One must say "The Scottish play" and

Leave it there, if you care  
Don't discuss it anywhere  
Keep that word under your hat  
And make sure you don't mention Mac

Mac, Mac, mention Mac  
No, no, no don't mention Mac  
If you do just watch your back  
Listen, dears - a little chat  
While you're here don't mention Mac!

**Track 18:****Romeos And Juliets**

**Juliet:** In a dream far from the fight  
We both belong, as one tonight  
We can see from either side  
Their world is wrong, our love is right  
Montagues and Capulets  
Like me and you are everywhere

**Both:** There will be Romeos, and Juliets  
In love against the flow, forever yet  
Love they won't be denied, and they will fight  
To keep alive, for all time

**Romeo:** Hate forbade us to be near  
Yet still the stars have brought us here  
Miles away across the years  
So many hearts will face the fear  
Montagues and Capulets like me and you are

**All:** Everywhere, ah, ah, ah

There will be Romeos, and Juliets  
In love against the flow, forever yet  
Love they won't be denied, and they will fight  
To keep alive, for all time

There will be Romeos and Juliets  
And Heaven only knows they will be blessed  
With a love they will hide, in all the lies to stay alive  
'Til their time

**Juliet:** In a dream far from the fight

**Romeo:** We both belong

**Both:** As one tonight.

**Track 19:****All The World's A Stage**

**All:** Life won't always turn out as you like it  
Life will sometimes be cruel to be kind  
Whatever you believe  
Wear your heart on your sleeve again

Yeh, yeh, yeh

Be great in act as you have been in thought  
Love all, trust a few, do wrong to none  
The words you feel within  
Are easy like the wind, my friend

Come and take your place, find your space  
All the world's a stage  
Face it every day, come what may  
All the world's a stage

Oo, oo, oo  
For me and you

All the men and women merely players  
In a play that comes in seven parts  
So there it is in writing  
Everyone's a rising star

Come and take your place, find your space  
All the world's a stage  
Face it every day, come what may  
All the world's a stage  
Gonna tell ya

All of your wonderful words  
Will have a place to be heard  
All the boys and all the girls  
Step on up and do your turn

Show the world  
What a great cliché - all the world's a stage!

**Track 23:****To Be Or Not To Be****All:**

To be a creator, putting pen to paper  
Tragedy or caper, putting in the hours

Centuries later, millions of players  
Nothing ever greater, you can share the power

Take it from the pages, take it to the stages  
Take a little dream and make it true  
Life is down to you

If you want to be or not to be  
That's the question we finally need to answer  
Livin' a soliloquy  
Tell me, do you wanna be or not to be?

Think about to be or not to be  
That's the mystery line that means you matter  
Written in your history  
Tell me, are you gonna be or not to be?

What are we defining?  
Never stop trying, see the silver lining  
All is well that ends well

Fight fire with fire  
We can fly higher, we can inspire  
We all have a tale to tell

Tell it on the pages, tell it through the ages  
Tell them all your dreams and they'll come true  
Life is down to you

If you want to be or not to be  
That's the question we finally need to answer  
Livin' a soliloquy

Tell me, do you wanna be or not to be?

Think about to be or not to be  
That's the mystery line that means you matter  
Written in your history  
Tell me, are you gonna be or not to be?

Say hey nonny nonny (Hey nonny nonny)  
Yey yey yey (Yey yey yey)  
Ay ay ay (Ay ay ay)  
Do ado ado (Do ado ado)

Keep on imagining  
We can do anything

If you want to be or not to be  
That's the question we finally need to answer  
Livin' a soliloquy  
Tell me, do you wanna be or not to be?

Think about to be or not to be  
That's the mystery line that means you matter  
Written in your history  
Tell me, are you gonna be or not to be?

Say hey nonny nonny (Hey nonny nonny)  
Yey yey yey (Yey yey yey)  
Ay ay ay (Ay ay ay)  
Do ado ado (Do ado ado)

Say hey nonny nonny (Hey nonny nonny)  
Yey yey yey (Yey yey yey)  
Ay ay ay (Ay ay ay)  
Do ado ado (Do ado ado)

If you want to be!
