

HANDSWORTH NEWS

**BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL**

Handsworth
Primary School

Dear Parents, Carers and Friends.

We have had an eventful week! Unfortunately, we have had to close some bubbles which is a huge shame and another reminder of the fact that we are not where we all want to be just yet. Remember the guidance is for positive cases to identify those they have been within a metre of for any amount of time or 2 metres for 15 minutes or longer. It is really important we are all mindful of this as it makes the track and trace process a lot easier. PCR test results seem to be coming back a lot quicker now which is good news. A lot of people have head colds at the moment, if you have any concerns please get yourself a test just to make sure.

This week we postponed KS2 Sports Day as thunder storms were forecast. This event will now take place on **Thursday 1st July**.

With the recent announcement regarding restrictions remaining in place, we are currently organising how we can have our end of year celebrations. The Summer Picnic has now been cancelled and Year 6 parents you would have received a letter today explaining the the plans for the leaver's events. Please remember, school will finish an hour earlier on **Thursday 22nd July**.

As we continue to navigate our way through these challenging times, please remember we are here for our community and it is important you let us know if there is anything we can do to support you. We are all in this together and will continue to be the strong community we are through the good times and the bad. Please contact the school office if you would like to come in and have a chat with me or if you ever want to discuss anything.

Thank you all for your ongoing support.
Have a lovely weekend.

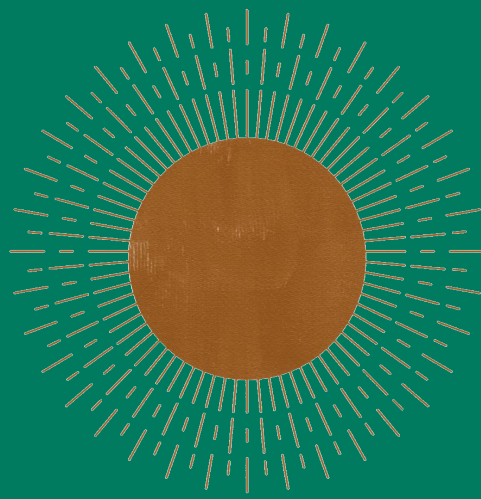

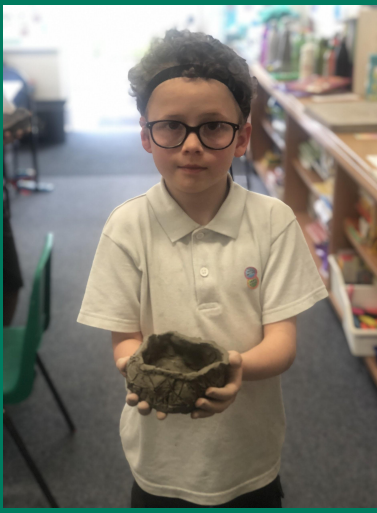

Mrs Nairne

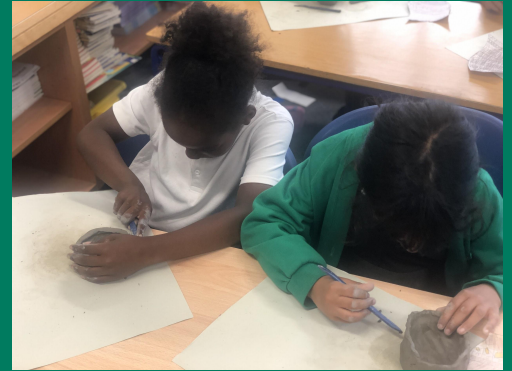

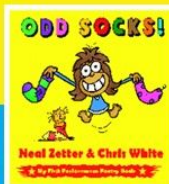

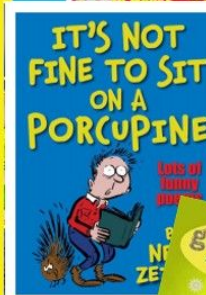

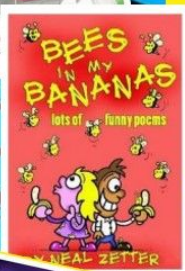

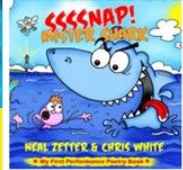

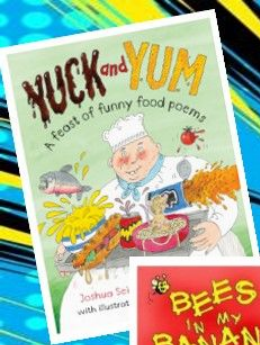

Nothing like some ducks to boost wellbeing!

Year 3 have been learning about the Bronze Age and they designed and made their own versions of Bronze Age Pottery.

Neal is a performance poet, author and entertainer!
 He writes poems about superheroes, his favourite places, Black History, London, Olympics/sport/football, colours, animals, countries and flags, families, self-identity, bullying and the first person on the Moon!

Neal is a former Handsworth Pupil!!

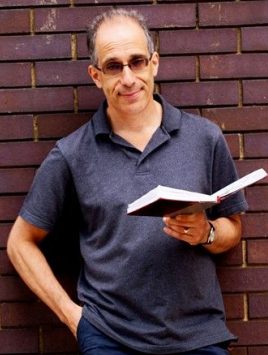

He will be visiting us in Year 3 and 4 on

MONDAY THE 28TH OF JUNE!

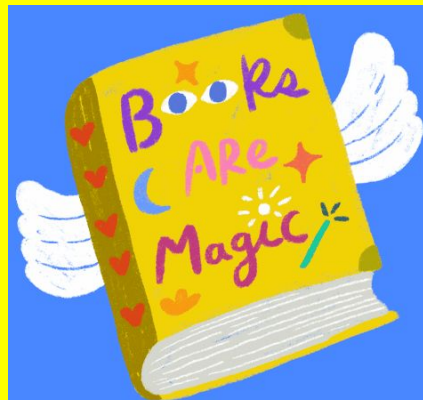

If you would like to purchase some of his books from his own website please click on the link below!

If you purchase through his website, Neal will sign your book for you!

Neil's books are also available (unsigned) through other retailers.

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn.

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
