

HANDSWORTH NEWS

**BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL**

Handsworth
Primary School

Dear Parents, Carers and Friends.

I hope you all had a lovely break and managed to have some relaxing family time. We have all thoroughly enjoyed being back in school and seeing the children again. This week, the children have enjoyed their learning and seeing their friends. It has been great to see them getting back into the swing of school.

With the restrictions slowly starting to lift, it is so important we all continue to follow the guidelines and maintain the necessary steps to ensure we keep our whole community safe. Thank you for continuing to wear masks, following the one-way system and maintaining social distance.

Nursery will be closed on Thursday 6th May as it will be used as a polling station. There will be activities and learning posted on our website for the children. **All other year groups will be attending school.**

Please remember, if you ever have anything you would like to discuss, please get in touch with me by phoning or emailing the school office.

Our School Voluntary fund is now open for the Summer term, any contributions are much appreciated.

Wishing you all a wonderful weekend.

Mrs Nairne

Hands of Handsworth

Yard Sale Tomorrow!

Year 3 enjoyed their athletic sessions this week. Year 4 also enjoyed extra cricket sessions. We have had an active start to the Summer term!

A huge thank you to Leslie Kulesh and Daniel Rousein for providing the lovely new planters that were installed yesterday. They built them with help from other parents as well as providing the decking timbers and the soil to fill them up. All children will get an opportunity to plant in them and they will look lovely when the flowers are in bloom! Leslie has also provided large buckets and soil for Reception to plant potatoes and organised vegetable kits from OrganicLea.

Thank you all so much! We really appreciate your help and support.

FUTURE FRIDAYS

Today was the first of our Future Fridays! The teachers really enjoyed getting to know the children they will be teaching in September. It was great to see the children starting to build those relationships with their new teacher. With the last year being so unsettled, we believe this is a perfect way to help children adjust slowly in preparation for September.

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn.

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
