

HANDSWORTH NEWS

BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL

Handsworth
Primary School

Dear Parents, Carers and Friends.

We are absolutely delighted that we are able to invite all children back to school on Monday 8th March. This has been such a challenging time, but we now find ourselves in a position where we can start to think about some normality resuming. As always, we put the children's wellbeing at the centre of our decision making as we strongly believe that unless our children are feeling happy, cared for and safe in school then no learning will take place. We are working ensure we provide our children with what they need to settle back in to school. Please use the link [Support for your child](#) if you would like to inform us of any issues or concerns you or your child may have about the return to school. You will also see the [Remote Learning Feedback](#) link, please give us your feedback about our online learning offer. Our first week back will be Science week, so the children will certainly enjoy their learning!

We hope you have all received your rainbow postcards, please let us know if you didn't! Remember to send in a photograph of your child with their coloured in postcard. We would like to produce a powerpoint of the photographs to share with you.

Next Thursday is World Book Day! Please follow this link for more information including our virtual library [World Book Day](#). Children are able to dress up at home for World Book Day, those coming in to school are welcome to bring a prop or wear something linked to a book if they wish.

This week's **Feel Good Friday** is a short video from some of the children in school. We are all so excited to welcome back our friends. It is natural for children to feel a bit nervous about coming back as it has been a long time, but we are all here for you and can't wait to all be together again. We have missed you all so much.

Wishing you all a restful and enjoyable weekend.

Thank you again for all your support.

From Mrs Nairne

[Remote Learning
Feedback](#)

[Support for your
child](#)

Thank you to those of you who have donated to the school! It is much needed and appreciated.

Friday 5th March

Ms Addai and Mrs Nairne will be setting activities on the website for you!

You will have seen the letter about returning back to school on the 8th March. If you haven't, then here is the link. [Return to School](#)

Please note, on Friday 5th March, online learning will be a variety of different activities set by myself and Ms Addai. This is to allow teacher to prepare for the children's return.

HANDSWORTH PRIMARY SCHOOL

3,2,1...BLAST OFF INTO

SCIENCE SPACE WEEK!

8 – 12 March 2021

Please let us know if you didn't receive your postcard.

We miss you!

We hope you enjoyed receiving your postcards. Please remember to send in a photograph of you with your postcard.

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn.

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
