

Mrs Nairne's Headlines

Transition

As you know, we value the importance of a smooth transition for our children. We had another successful Future Friday today. As part of our transition process, we have made a google form on which you, as parents and carers, can inform us of anything you would like next year's teacher to know. Please [click here](#) to access the form. Please note, we will not always reply to these comments but class teachers will read them.

NSPCC Assembly

Today we had an NSPCC assembly for KS 1 and KS 2. We met Buddy and talked about the importance of speaking up and keeping safe. Children learnt about what to do if they have worries and we discussed who our trusted adults are and how they can help us.

Starting from next week, our wellbeing ambassadors will be on the gate with staff welcoming children in the morning.

Progress

This week we have held our Progress Meetings. This is where teachers meet with me, Ms Addai and Ms Struthers. We talk about the progress the children have made and any barriers to their learning. Together we create actions to improve what we have in place for our children.

We are so impressed with the progress children have made in their learning! Well done!

Summer Picnic

Our Summer Picnic is on Saturday 2nd July and we are aiming to make this one bigger than ever!

The picnic will run from 11am - 5pm with the Colour Run starting at 1pm. There are limited spaces available for the Colour Run, so please click [here](#) to secure a place.

We will have a pizza stall and BBQ along with a bar and also a Pimms, Gin and Prosecco stand.

Dan Rouse will be DJing and live streaming onto HP radio.

Petite Production and Funky Feet dance academy will also be performing.

Entrance to the Summer Picnic will be via the main school entrance and the gates will be open from 10.30am

See you there!

We really need your help with cake donations, the loan of gazebos and a paddling pool.

We are asking for plenty of volunteers to help in the morning to set up the event. This will be from 9am - 11am please.

Please contact maxmax032@gmail.com if you can help with set up.

Please can cake donations be dropped off in the morning of the 2nd July at anytime from 10.30am.

HELLO SUMMER

We need your help!

Thank you Year 4! We really enjoyed your assembly! It was great to hear about all the things you have been learning in school. The dancing, acting and singing was amazing and you did so well to perform so confidently. It has been a long time since you have performed in front of an audience. Well done.

Please remember you are more than welcome to come and look at your children's work after school on **Wednesday 13th July!**

We loved having our ducklings in school!

Quad Kids

We are lucky to have a member of staff and a parent who have been working tirelessly to develop a wonderful gardening area with our children.

They will be running a plant stall at the Summer Fair.

The children have planted up some pots and tins for the summer picnic. However, we are wondering if you have any other bits to bring in from home or anything you can donate for our plant stall.

If anyone has any spare plants/cuttings etc or anything else that you think would go well on a plant stall, we would be glad to accept them.

Please bring anything you have to the front office. Thank you for your support.

This week, we received an email from the World of Work organisers:

I like to thank you for a wonderful World of Work last week! Thanks to the office team too for all their hard work on the admin and organisation. The teachers and pupils we met across the week were very engaged and the children were asking some great questions! We hope you enjoyed the programme!

We received some lovely feedback from volunteers:

"We loved working with the children today, their drawings were really impressive for their age and we definitely think there are some future architects in the class!" Volunteer for Year 6

"Today was a fantastic workshop with Year 5. I had a great time negotiating what share of profit each team was going to give me and they had some wonderful ideas" Volunteer for Year 5

"really enjoyed today and surprised at how advanced some of their questions were" Volunteer for Year 3

We would love to work with you again next year!

Star of the Week

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn. Next week, stars also have the opportunity to have tea with Mrs Nairne and Ms Addai. **We are nearly coming to the end of Star of the Week, please get in touch if your child has not had their celebration.**

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
